GREETINGS ----

The Blue-Sky Boatbuilders — Elihu, Riley, and Adrian Beal — celebrate completion of another boat with their traditional launching song at Beals Island.

With picture and story, *Maine Coast Fisherman* each month brings you the coast and its people. Each issue contains pictures of your friends, new developments in fishing methods and gear, new types of boats and equipment, the latest news of the fishing business. Here is a Christmas gift that is unique — a gift that comes every month all year.

You can use our special low Christmas gift rate — two subscriptions only \$3 (you may include your renewal), each additional subscription \$1. You can send gifts to four friends for \$5.

Just write their names and addresses on the accompanying postage-paid envelope, enclose the correct amount, and mail it today. At Christmas time your friends will receive an attractive card announcing your gift. Their pleasure from this unusual gift will last throughout the coming year.
