Dear Sir or Madam,

The enclosed is a picture of Nelson McKenzie. He and his wife, Emil, lived for a while in what is now where Frank Merrill lives (Box 2810). My father, Kewellyn Farnsworth, and Nelson became very good friends and the enclosed picture was among my father's belongings when he died. Emil died in 2000. Nelson may have died July 11, 1988. Nelson and Emil moved from Rt. 187 to 127A Centerville Rd. in Columbia Falls after they sold their Jonesport home.

I do not believe that the McKenzies had any

children, and no one in my family knew them so I am sending the picture to you. If you have no need to keep it as part of Jonesport's history then dispose of it. Perhaps Frank Merrill can fill you in on any information you might require about the McKenzies.

Sincerely,
Jean Farnsworth Cooper
