SUDDEN DEATH OF A DIVINITY STUDENT.--

(from a newspaper article)

We have to announce with regret the death of a very promising young man belonging to this city—viz. Mr. William Bruce, divinity student at the University of St. Andrews, who died suddenly of heart disease on Friday, and whose mortal remains were brought here on Saturday for interment. The deceased was an exemplary young man, and recently gained a bursary [a scholarship granted to a student] of £14. He was attending his second session at the Divinity Hall, and the cause of his death is supposed to have been simply overwork. His sudden death will be regretted by a large circle of sorrowing friends.
